Contractor Verification System (CVS)

- **Must be entered into CVS to obtain a Common Access Card (CAC)**
- **CAC is needed for government computer access and/or facility/installation access**
- **Requires a National Agency Check with Inquiries (NACI) be initiated before a CAC can be issued**
- **Also must have favorably returned FBI fingerprint check on file before CAC can be issued**
- **NACI submittal must be reflected in the Joint Personnel Adjudication System (JPAS)**
